REMANDING TO EXAMINER

Before STONER, Chief Administrative Patent Judge; HARKCOM,  
Vice Chief Administrative Patent Judge; and WILLIAM F. SMITH,  
Administrative Patent Judge.

PER CURIAM

The Office of the Deputy Commissioner for Patent  
Examination Policy has requested that this application be

Appeal No. 2002-1113  
Application 09/013,645

remanded to the jurisdiction of the patent examiner so that issues raised in this appeal can be reconsidered. Accordingly, we remand.

A. Findings of Fact:

On June 15, 2001, appellants filed a Notice of Appeal (Paper No. 20) and on August 16, 2001, filed an Appeal Brief (Paper No. 21). On August 30, 2001, the examiner mailed an Examiner's Answer (Paper No. 22). On January 7, 2002, appellants filed a Reply Brief (Paper No. 23). On January 15, 2002, the examiner acknowledged the Reply Brief (Paper No. 24). On April 15, 2002, the examiner mailed a Supplemental Examiner's Answer (Paper No. 25). On June 17, 2002, appellants filed a paper entitled "Supplemental Reply Brief Under 37 CFR 1.193(b)(1)" (Paper No. 26) objecting to the Supplemental Examiner's Answer in which the appellants pointed out that the Supplemental Examiner's Answer was improper.

On December 1, 1997, the rule pertaining to the Examiner's Answer and Reply Brief, 37 CFR § 1.193, was amended to read as follows:

§ 1.193 Examiner's answer and reply brief.

. . .

Appeal No. 2002-1113  
Application 09/013,645

(b)(1) Appellant may file a reply brief to an examiner's answer within two months from the date of such examiner's answer. . . .

The primary examiner must either acknowledge receipt and entry of the reply brief or withdraw the final rejection and reopen prosecution to respond to the reply brief. A supplemental examiner's answer is not permitted, unless the application has been remanded by the Board of Patent Appeals and Interferences for such purpose.

(2) Where prosecution is reopened by the primary examiner after an appeal or reply brief has been filed, appellant must exercise one of the following two options to avoid abandonment of the application:

(i) File a reply under § 1.111, if the Office action is not final, or a reply under § 1.113, if the Office action is final; or

(ii) Request reinstatement of the appeal. If reinstatement of the appeal is requested, such request must be accompanied by a supplemental appeal brief, but no new amendments, affidavits (§§ 1.130, 1.131 or 1.132) or other evidence are permitted.

#### B. Conclusion

In view of the changes to 37 CFR § 1.193(b)(1), the entry of the Supplemental Examiner's Answer mailed April 15, 2002 (Paper No. 25), is inappropriate.

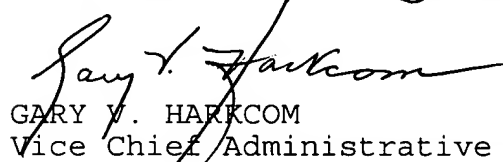

Apprised of these problems, the Office of the Deputy Commissioner for Patent Examination Policy has requested this remand.

Appeal No. 2002-1113  
Application 09/013,645

The Board must be informed promptly of any action affecting the appeal in this case, including reopening of prosecution, allowance and/or abandonment of the application.
